The Penobscot Bay YMCA's Childcare Children and Families Spread Holiday Cheer

Rockport, Maine - December 27, 2011 - The Penobscot Bay YMCA Childcare Department has been truly blessed and busy this holiday season. The YMCA's holiday wreath fundraiser was a huge success thanks to the folks in our community. Funds raised will go towards "sprucing" up the Y's playground this spring. The Childcare Department also recently finished collecting pajamas for the Great Bedtime Story Pajama Drive in which the Y partnered with Scholastic Books and the Pajama Program to provide children in need with warm pj's and a new book for the holidays. Recently the Y's preschoolers spread our holiday cheer while visiting Quarry Hill in Camden. The children sang Christmas Carols to the residents which brought smiles to faces young and old.

The Penobscot Bay YMCA Preschoolers had a big surprise visit from Santa last Thursday on their walk from Quarry Hill where they sung Christmas Carols to the residents.
